

## Buy American

Founded in 1828, Cornell Iron Works, Inc. is proud to be one of the oldest manufacturing companies in America. Cornell provides custom engineered door systems manufactured with materials that have been substantially modified to add value.

In keeping with §661.5 General Requirements of the Buy American Act and also §1605 of the American Recovery and Reinvestment Act (ARRA) of 2009, Cornell Iron Works continues to manufacture and ship all of its products from facilities within the United States. As stated (For a manufactured product to be considered produced in the United States: (1) All of the manufacturing processes for the product must take place in the United States; and (2) All of the components of the product must be of U.S. origin. A component is considered of U.S. origin if it is manufactured in the United States, regardless of the origin of its subcomponents), products produced by Cornell Iron Works, Inc. are deemed to be 100% compliant.

Thank you for considering products made in America by Cornell Iron Works, Inc.
