

SENSING EDGE REPAIR KIT

Entrapment Protection Device Repair Kit

REPAIR ON-THE-GO

Now, you don't have to wait for replacement parts to repair or replace a sensing edge! This kit allows you to repair the sensing edge on-the-go, eliminating the need for a follow-up appointment. Available in two options for counter doors and grilles, or service and insulated doors.

Repair kits can be ordered through the service department. Each kit contains enough components for up to 5 completed edges that can be configured as primary or secondary devices.

*Note: Not approved for use on fire rated products.
Sensing edge max width 20'.*

WHAT'S INSIDE

Your selected kit option includes:

- ▶ 50' roll of edging
- ▶ 5 wired end caps to be paired with either of the included 5 monitored and 5 non-monitored end caps
- ▶ 10 end blocks
- ▶ All required hardware
- ▶ Repair instructions
